

Report on the Seminar of the Department of Mathematics, B.S College, Nuahat, Jajpur

Date: 09.03.2023

A seminar on the "Application of LPP in day-to-day life" organized by the Department of Mathematics took place on 09.03.2023, at 12:30 PM, in the college conference hall at B.S College, Nuahat, Jajpur. The seminar aimed to explore the practical applications of Linear Programming Problems (LPP) in everyday scenarios. Dr. Sanjit Kumar Mohanty, the Head of the Department of Mathematics, presided over the meeting.

Dignitaries Present:

Prof. Braja Kishore Swain, Principal (Chief Guest)
Prof. Omprakash Sahoo, Lecturer in Mathematics, B.B. Autonomous Mahavidyalaya, Chandikhole, Jajpur (Resource Person and Chief Speaker)
Prof. Pabitra Mohan Mahala, H.O.D of Economics (Guest of Honour)
Prof. Pramod Kumar Khandai (Guest of Honour)

Proceedings:

The seminar began with a welcome address by Dr. Sanjit Kumar Mohanty, who introduced the esteemed guests to the audience. Baisakhi Rout and Ayushman Mohanty, +3 3rd-year Honors students, presented their seminar papers, contributing valuable insights to the theme of the seminar. The Resource Person, Prof. Omprakash Sahoo, delivered an in-depth explanation of the topic, shedding light on the practical implications of Linear Programming Problems in various aspects of daily life.

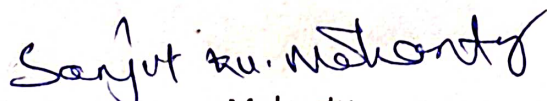

Sri Ayushman Mohanty extended a formal vote of thanks to express gratitude to all participants, guests, and organizers for their valuable contributions to the seminar. The seminar was not only informative but also engaging, providing a platform for students to enhance their understanding of the practical applications of mathematical concepts.

Conclusion:

The seminar concluded on a positive note, reinforcing the importance of understanding and applying mathematical concepts in real-life situations. The combination of academic expertise and student participation made the event a success.

The seminar commenced with a devotional song, creating a serene atmosphere, and concluded with Sri Ayushman Mohanty expressing thanks to all involved. The Department of Mathematics at B.S College, Nuahat, Jajpur, continues to foster academic enrichment through such informative events.
