A NATIONAL WEBINAR OF MATHEMATICS DEPARTMENT: A REPORT

The Department of Mathematics, B.S. College, Nuahat organised a National label Webinar on the topic "RECENT ADVANCES IN NUMERICAL ANALYSIS" in online mode on 30.11.2021 at 10.15am. Dr. Ramachandra Mohapatra, Principal of the college as the Chief-Guest (Patron) inaugurated the seminar by lighting the candle. Prof Dr. Rajani Ballav Dash, Department of Mathematics Ravenshaw University, Cuttack, Odisha and Dr. Pradip Kumar Parida, Central University of Jharkhand, Ranchi are invited as Resource person. Dr. Sanjit Kumar Mohanty, H.O.D. Mathematics Presided over the Webinar. He also gave brief introduction of the guests then Mr. Rashmi Ranjan Sahoo, M.Phil Scholar in the department of Mathematics, Ravenshaw university, Cuttack presented his paper in the topic "Application of Mixed Quadrature for Numerical evaluation of Fractional Integrals". Then Dr. Sanjit Ku. Mohanty addressed about the topic of the webinar. The resource person Prof. Dr. R.B. Dash gave very informative talk about Numerical Analysis and its application in day-to-day life then Dr. Pradip Kumar Parida gave very useful talk about Recent Advances in Numerical Analysis. At the end H.O.D. Mathematics gave the vote of thanks.

Fifty numbers of participants and some other teaching staff participated in the webinar and it was grand success.
